Dear Ms. Hunt:

It is my pleasure to inform you of your appointment to the Superior Court Judgeship in the Third Judicial District in Anchorage.

I had the opportunity to meet with your excellent candidates recommended by the Judicial Council for this position vacated by the appointment of Daniel Moore to the Alaska Supreme Court.

The expressions of support by those that I hold in high regard, coupled with your outstanding legal background and public service record, convinced me that you would serve the people of the State of Alaska well as a member of Alaska's esteemed judiciary.

I extend my congratulations and best wishes to you in your new position.

Sincerely,

Bill Sheffield
Governor
