

**Attachment 3.1A List of Cooperative Agreements**

(some agreements are maintained as a Reimbursable Service Agreement- RSA)

Bureau of Vital Statistics (the RSA is used to renew the agreement annually)	BVS administers the hospital based paternity Program and provides online data access for the IV-D agency regarding birth and death records. (No changes to prior agreement.)
Court System	CSSD reimburses the courts for services provided For paternity and support order establishment, under 45 CFR 303.107(d). (No changes to prior agreement.)
Department of Labor (this is an RSA)	Data processing services relating to employment information and unemployment compensation.
Department of Law	Necessary legal services for establishment of paternity, orders and for the collection of support. (No changes to prior agreement.)
Div. of Administration (this is an RSA)	For hearings conducted by the administrative law judges where people have appealed CSSD decisions. This was formerly covered by the Dept of Revenue.
Div. of Occupational Licensing (these are RSA's)	Data processing interface cost of file sharing. Several sub-Agencies come under this umbrella agency and all are handled with RSA's.
Div. of Public Assistance	Agreement guarantees CSSD access to online DPA computer records. (No changes to prior agreement.)
Office of Children's Services	Grants online access to computer records of children in State custody. This agency was formerly known as the Div. of Family and Youth Services.
